Patient Attendance Policy

Dayton Physical Therapy
7637 North Main Street
Dayton, OH 45415

It is important to attend all of your physical therapy appointments (unless you are ill) so that you make reasonable progress toward your goals. If you are not making progress toward your goals because of inconsistent attendance, Medicare or your insurance may not pay for the therapy, then you will be responsible for your bill.

Attendance Expectations:

- Please make sure to attend all scheduled therapy appointments
- If you will be late for a scheduled appointment, please contact the front desk at (937) 898-2200. If you are more than 20 minutes late, your appointment may need to be rescheduled.
- If you know that you will be out of town or have a scheduling conflict, please call the front desk at (937) 898-2200 at least 24 hours in advance

Canceling and Missing a Scheduled Appointment:

- To cancel or reschedule, please call the front desk at (937) 898-2200 at least 24 hours in advance
- Extended planned vacations must be discussed with your clinician to determine impact on progress. Sessions must be re-scheduled in advance in order to prevent regression of skills and possible discharge from therapy
- If you miss 3 appointments without calling 24 hours in advance, you will be discharged from therapy and your referring physician will be notified
